

The Children's Society

Christingle 2020

Charity registration No. 221124

The Children's Society is a national **charity** working to transform the hopes and happiness of young people facing abuse, exploitation and neglect. We support them through their most serious life challenges and we campaign tirelessly for the big social changes that will improve the lives of those who need hope most.

Now more than ever, we must shine the light for those living in the darkest situations.

Together, we can rekindle the hope for children and young people across the country.
