Guide Dogs Christmas Tree

For the past few years there's been a Guide Dogs Christmas Tree in the St Faith's Christmas Tree Festival. Right now, Guide Dogs UK need your help more than ever. They are committed to supporting people with sight loss across the UK. To stay safe while we all follow government guidelines, we are unable to carry out the thousands of collections planned across the UK which could equate to a loss of £870,000 in 2020.

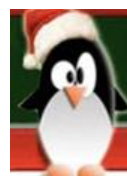

Please donate if you can and transform the life of someone dealing with sight loss.

Guide Dogs

The ability to get around is vital in order to live a full life yet thousands of people with sight loss never leave home alone. We empower visually impaired people to do that and rely on the support of the public to fund the guide dog service.
