

Dementia Friends

An Alzheimer's Society initiative

Alzheimer's Society's Dementia Friends programme is the biggest ever initiative to change people's perceptions of dementia. It aims to transform the way the nation thinks, acts and talks about the condition.

Dementia Friends is about learning more about dementia and the small ways you can help. From telling friends about the Dementia Friends programme to visiting someone you know living with dementia, every action counts.

As a dementia friendly school, Waterloo Primary School are dedicated to helping Dementia Friends support people living with dementia by taking actions - both big and small!

People living with dementia
face social isolation, **now**
more than ever.
