

Borough Of Crosby Branch

Royal British Legion

As part of the wider Royal British Legion Community, The Borough of Crosby Branch of the Royal British Legion provides support for the ex-service community and their families in the Crosby and wider Sefton area. The Borough of Crosby Branch provides a focal point for social activity and Remembrance and plays a vital role in tackling hard-to-reach problems like loneliness and isolation in the Veteran community. This is achieved by providing a place for Veterans to regularly meet and share stories etc, by playing an active role during the Poppy Appeal and the Remembrance Services held in the Sefton area as well as many other activities in the Sefton community.
