

# ♥ Sefton Baby Baskets ♥

(Currently in the process of applying for charitable status with HMRC.)

♥ **Sefton Baby Baskets** is a non-profit organisation run by a group of volunteers based in Crosby. We offer help within Sefton as well as the wider Merseyside area.

♥ Our aim is to assist mums who need help to provide some of the essentials needed for their new baby.

♥ To ensure our baskets reach those that need them most we work through a referral system from midwives, health visitors, social workers and other groups and organisations providing help and support.

♥ The Moses baskets and contents are sourced from a local mum's exercise group **Boxercise for Mums** and donations from members of our local community.

♥ Each basket is filled with donated clothing, bedding, toiletries and other baby essentials. With the funds we raise we are able to buy brand new basket mattresses, and toiletry packs for mum and baby.

♥ Every basket is packed with love ♥
